Art

- John Constable's *The Cornfield* soothes us with its unspoiled countryside vista.

- Camille Pissarro's *Landscape at Chaponval* also displays the tranquility of a rural scene, this one of field and village under a blue sky flecked with fluffy clouds.

- The becalming wonders of nature are presented in Washington Allston's *Landscape with a Lake*.

- True serenity is evident in Peter Severin Kröyer's *Summer Evening on the Southern Beach* where two ladies stroll down a deserted beach.
