

Nurturing Our Catholic Community through...

September

A reading from the Gospel of Mark 10:13, 14, 16

It is a story that surprised the friends of Jesus who, though tired, showed how much he liked to meet children.

People often used to bring children to Jesus and, when they did, Jesus always gave them his blessings. One day, however, some of the friends of Jesus told the children to go away. Jesus was angry when he saw this happening and he said: "Don't stop the children from coming to me. Don't send them away like that! Bring them back!" Then he put his arms around the children and he blessed them."

The Gospel of the Lord.

Prayer Reflection:

Parent God, today we thank you for the surprises you give us all through the year in our children, friends and families. Bless us all and help us to treasure the surprises that the children teach and offer us. Help us to teach and see with a child's eye and be amazed at life's surprises and beauty. We ask this through Jesus our Lord.

Amen
