### Love

Chocolates, flowers, valentines, and red hearts, what would the month of February be without the celebration of Valentine's Day. While the rest of the world may choose to celebrate the ideal of romantic love on February 14, TCDSB schools will be focussing on the virtue of LOVE as expressed in the gospels. "For *God so loved the world, He gave His only son.*" John 3:16 As we focus on the virtue of love at name of school this month let us remember that love not only inspires the practice of all other virtues, it is the form and completion of all the other virtues. We will not limit our celebration of the virtue of love to February 14<sup>th</sup>, but demonstrate this virtue through the following month long activities \_\_\_\_\_.
