We are one human family, we are brothers and sisters even if we are different. We need to get along with one another no matter where we live in the world.

People live with others. We need to remember the whole community when we make rules.

MARCH - ROLE OF GOVERNMENT
Leaders and governments must work for the good of all members, promote human dignity and protect human rights.

We love God by taking care of the earth. We must protect the planet and its people by living in harmony with creation.

MAY - DIGNITY OF WORK
People have a right to work. We should make sure that all work is safe and is life giving.

JUNE - PARTICIPATION
Everyone belongs to the community. It is wrong to exclude or bully anyone. We need to create a fair world for everyone.

Overview of the Virtue of Hospitality

Hospitality is shown when we welcome guests — including strangers and enemies — into our lives with kindness.

Sometimes hospitality requires that we cross boundaries and reduce some of the barriers established in our society to keep "the other" out because we believe in the ultimate dignity of every living being.
