that any hand-held (mobile) wireless communication device that is used to conduct TCDSB business be utilized appropriately, responsibly and ethically. Any unlawful, illegal and unethical use will not be tolerated and is a violation of this policy and other applicable TCDSB policies which may result in disciplinary measures up to and including dismissal.

Regulations:

Operating a Vehicle

1. While operating a vehicle, employees must not use a hand-held (mobile) wireless communication device because such use impairs the driver's reaction time, increases the risk of an accident and distracts the attention of the driver from safely operating the vehicle. The safety of employees, pedestrians and other drivers on the road is of the utmost importance and concern therefore the following use guidelines are to be adhered to while driving:
 - (a) Hand-held (mobile) wireless communication devices should only be used when the vehicle is safely parked.
 - (b) Avoid answering calls while operating a vehicle. If there is an emergency situation or occurrence where use of the hand-held wireless communication device is urgently necessary, employees must use a hands-free communication device, alert the caller you are driving, advise the caller you will return the call when at a safe location, keep the conversation as brief as possible or find an opportunity to safely pull-off the roadway and secure the vehicle to continue the conversation.

(c) Text or e-mail messaging is strictly prohibited while driving.

(d) Employees will not be disciplined for failing to answer a call while driving a vehicle and supervisors will not expect employees to immediately respond to the call. The supervisor may leave a voice message for employees to pick-up and return the call when at a safe location.

2. Employees must comply with all municipal, provincial and federal laws applicable in the jurisdiction in which the hand-held (mobile) wireless communication device is used. The TCDSB will not provide legal advice nor assistance to those employees charged under relevant legislation. Fines levied upon conviction for violating the law with respect to use of a hand-held (mobile) wireless communication device will not be paid by the employer or reimbursed as an expense.
3. Use of the still or video camera functionality on a hand-held (mobile) wireless communication device to capture images of other people without their consent or students without parental consent, images of copyright-protected materials and publications, images of sensitive, protected or classified documents, designs, etc. is prohibited.

Cost Management

4. TCDSB hand-held (mobile) wireless communication devices are only allowed to be used within Ontario unless otherwise authorized and approved by your Supervisor to minimize the costs of long distance charges.

5. Employees must support efforts to manage device operation costs by ensuring that call minutes, text messages, data usage, and roaming charges do not exceed usage plan limits.
6. Employees who will travel outside of Ontario on Board business need to be accessible and require the use of a hand-held (mobile) wireless communication device must contact the Technical Services within a reasonable time prior to their trip to review alternative wireless service and long distance plans to minimize usage charges for the duration of the business travel. In addition, when traveling, employees should avoid using mobile phones where alternate, cost-effective and secure communications options exist.

Device Ownership and Management

7. The hand-held (mobile) wireless communication device remains the property of the TCDSB for the period the device is assigned to a TCDSB employee and when no longer required by the employee, the device must returned to the Technical Services.
8. Employees are expected to take reasonable care to safeguard and protect the hand-held (mobile) wireless communication device assigned to them against loss, theft and unauthorized use. Immediately report a lost or stolen device to your supervisor and to the Technical Services. Notification needs to occur even if you think you may have just misplaced the device. If outside of regular business hours, employees must call the service provider immediately to suspend service and notify the Technical Services.

the activation of the wireless service with the service provider of record. The requesting TCDSB school or department will be charged for the initial equipment purchase cost and all on-going wireless service costs charged through a funds reservation from the respective cost centre.

3. Additional requirements must meet the approved standards and service support available for hand-held (mobile) wireless communication devices, accessories and wireless services and must be authorized for purchase and support by The Technical Services Department prior to purchase. Reimbursements for purchase will not be approved unless Supervisor approval and The Technical Services Department authorization was granted prior to purchase.

4. The Technical Services Department will activate an initial wireless service plan (allotment of voice and long distance minutes and/or kilobytes of data) based on the employee's role and expected business use for each assigned hand-held (mobile) wireless communication device. At periodic review points, the Technical Services Department will conduct usage reviews and adjust the wireless service plans assigned as needed.

5. A list of the employees and inventory of the equipment assigned will be maintained by The Technical Services Department.

6. Employee requests to purchase additional accessories or replacement equipment such as spare or replacement batteries, chargers, ear buds, etc. must be authorized by the Technical Services to review the appropriateness of the request and approved by their immediate supervisor before any purchase is made.

7. The Technical Services Department will establish the security and manageability standards for hand-held (mobile) wireless communication devices.
