7. TCDSB will not as an ongoing practice depend on prior year's surplus to balance the current year's budget. The prior year's surplus will be transferred to an operating reserve. The accrual basis of accounting recognizes revenues as they are earned, and expenditures are recognized as they are incurred as a result of goods or services received and the creation of a legal obligation to pay.
11. The TCDSB prepares budgets for the operating and capital funds. Budgets are prepared on the accrual basis of accounting. The basis of budgeting is the same as the basis of accounting, i.e. the accrual basis.
