

TCDSB Policy Register

Qualifications - Religious Education Courses H.T.05

Policy

1. Unless there are extenuating circumstances, a condition of employment for beginning teachers shall be satisfactory attendance at episcopally approved religious education programs offered during the academic year at their teacher training institution.
2. Newly appointed teachers shall be required to have completed either one winter or one summer especially approved credit course (i.e. 120 hours duration) or equivalent as determined by the Director of Education before a permanent teacher's contract is granted.
