

# TCDSB Policy Register

## Religious Education - Board Of Education Schools H.T.06

### Policy

With the approval of the board of education, the TCDSB shall provide religious education instruction for students of separate school supporters who attend a public school in Metro for special programs and services for which an agreement has been made.

### Regulations:

1. An adequate number of teachers will be employed by the TCDSB to provide religious instruction.
2. The teacher, while working in the school, will teach under the authority of the principal of the school.
