

TCDSB Code of Conduct Policy S.S. 09 Guidelines

Preamble:

The Toronto Catholic District School Board is an inclusive community rooted in the love of Christ. We educate students to grow in grace and knowledge and to lead lives of faith, hope and charity. Through our Catholic values, we believe in the worth and dignity of every person, and that people thrive in a safe, healthy and compassionate environment. One of the goals of the Board's Multi-Year Strategic Plan requires that, in order to create equitable learning environments for all students, students will be provided with safe, healthy learning environments by promoting a positive school climate, inclusive and accepting of all students.

This policy is interpreted through the lens of the Catholic faith as articulated by the teachings of the Church, having due regard for the following:

- Teachings of the Catholic Church, as expressed through various documents of the Universal Church, the Bishops of Canada, the Bishops of Ontario, and the Archdiocese of Toronto.
- Education Act, Sections 1 (4); 169.1; 301
- Program Policy memorandum (PPM) 128 Provincial Code of Conduct and School Board Codes of Conducts, August 29, 2019.

Role and Responsibilities

Toronto Catholic District School Board

The Board will provide direction to its schools to ensure opportunity, academic excellence, and accountability in the education system. It is the responsibility of the Board to:

- develop policies that set out how schools will implement and enforce the provincial Code of Conduct and all other rules that it develops that are related to the provincial standards that promote and support respect, civility, responsible citizenship, and safety;
- establish a process that clearly communicates the provincial Code of Conduct and TCDSB's code of conduct to all parents, students, principals, teachers, other school staff, and members of the school community in order to obtain their commitment and support;
- review these policies regularly with those listed above;
- seek input from school councils, Parent Involvement Committees, and the Special Education Advisory Committee;
- develop effective intervention strategies and respond to all infractions related to the standards for respect, civility, responsible citizenship, and safety;
- provide opportunities for all of the staff to acquire the knowledge, skills, and attitudes necessary to develop and maintain academic excellence in a safe learning and teaching environment.

Principals

Under the direction of the Director of Education, principals take a leadership role in daily operation of a school. They provide this leadership by:

- demonstrating care for the school community and a commitment to academic excellence in a safe, inclusive, and accepting teaching and learning environment;
- holding everyone under their authority accountable for his or her behaviour and actions;
- empowering students to be positive leaders in their school and community;
- communicating regularly and meaningfully with all members of their school community.

Teachers and Other School Staff

Under the leadership of their principals, teachers and other school staff maintain order in the school and are expected to hold everyone to the highest standard of respectful and responsible behaviour. As role models, teachers and other school staff uphold these high standards when they;

- help students work to their full potential and develop their sense of self-worth;
- empower students to be positive leaders in their classroom, school, and community;
- communicate regularly and meaningfully with parents;
- maintain consistent standards of behaviour for all students;
- demonstrate respect for all students, staff, parents, volunteers, and other members of the school community;
- prepare students for the full responsibilities of citizenship.

Students

Students are to be treated with respect and dignity. In return, they must demonstrate respect for themselves, for others, and for the responsibilities of citizenship through acceptable behaviour. Respect and responsibility are demonstrated when a student:

- comes to school prepared, on time, and ready to learn;
- shows respect for himself or herself, for others, and for those in authority;
- refrains from bringing anything to school that may compromise the safety of others;
- follows the established rules and takes responsibility for his or her own actions.

Parents

Parents/guardians play an important role in the education of their children, and can support the efforts of school staff in maintaining a safe, inclusive, accepting, and respectful learning environment for all students. Parents fulfil their role when they:

- show an active interest in their child's school work and progress;
- communicate regularly with the school;
- help their child be neat, appropriately dressed, and prepared for school;
- ensure that their child attends school regularly and on time;
- promptly report to the school their child's absence or late arrival;
- show that they are familiar with the provincial Code of Conduct, the board's code of conduct, and school rules;
- encourage and assist their child in following the rules of behaviour;
- assist school staff in dealing with disciplinary issues involving their child.
