

Are you interested in a FREE, online Citizenship Preparation course?

With funding from the Government of Ontario, we are looking for participants for the **SPRING 2021 course**.

The details:

- This course is online and self-directed. You will go through all the units on your own. You will work independently on your own computer. However, we are there to help if you need it.
- Your English level in listening, speaking, reading, and writing should be CLB 4 or above.
- You will watch a video on how to sign up and login to an e-course, and complete assignments. You will need to follow instructions to learn quickly from the course activities. You will see the instructions in the course space after you have officially signed up.
- This course is offered during **April 20, 2021 to July 19, 2021**. There are 12 units. Some are short, (2-3 hours), and some are longer (8-10 hours). You should complete **ALL** the units, which will take about 60-80 hours.
- You can complete the units in your own time and pace. You can repeat activities as many times as you like. The units include quizzes, games and readings. They will help you prepare for the citizenship test. There is an assessment task in each unit that you can only do **ONCE**.

When you complete **all** the units in the course, you will receive a certificate of completion.

What do I need to register?

You must be eligible (see box on right), **and you need:**

- A computer, with access to the internet
- An active email account
- Ability to work independently on your own
