Brand of Ukraine

By: Yaroslav Zemnytskyi
Ukrainian people say that Ukraine is embraced by the mighty waves of the Dnieper river. The Ukrainians are the nation proudly carrying their national symbols, sharing their vibrant and melodious songs with the world and valuing their ancient embroidery art that is being passed by generations, just to mention a few.
Ukraine is:

- Vyshyvanka
- Varenky
- Easter eggs
- Periwinkle flower
- Cossacks
- Hetman’s mace
- Rich black soil
Ukraine is a peaceful nation

Ukrainians are a peaceful nation, but throughout their history they have been forced to defend their homeland from invaders. Our people have never fought to gain any benefit, to take away other people's lands, they never invade anyone. But when they came to us with hostile intentions, Ukrainians stood up and defended their homeland.
Ukraine is the homeland of outstanding people

The Klitschko brothers
In the ranking of European heavyweight boxers, Volodymyr Klitschko scored 711.3 points. During his 21-year career, he won 64 victories and lost 5 times to his opponents.

Mykola Mykhailovych Amosov
In 1965 he created and was the first doctor in the world to put into practice antithrombotic prostheses of heart valves.

Leonid Kostyantynovych Kadenyuk
Leonid Kadenyuk was the first astronaut of an independent Ukraine to fly into the outer space.
Ukraine is the homeland of outstanding people

Sergiy Pavlovych Korolyov

He headed the missile program of the USSR. The first intercontinental ballistic missile and the first man-made satellite of the Earth were launched under his leadership as well as the first manned space flight into outer space.

Igor Ivanovych Sikorsky

Creator of the world's first helicopters. He designed a VC-300 helicopter which performed the first flight in 1939. Since 1943, his company has become a leading manufacturer of helicopters abroad.
