

## **The Halyna Kopach Memorial Mathematics Award**

This award has been created by the Kopach family in memory of the late Halyna Kopach. Halyna Kopach was the head of the Math Department at Mary Ward C.S.S. for over 27 years.

An annual monetary award is granted to a graduating student of Mary Ward C.S.S. who: demonstrates the most improvement over the Grade 12 year; is university bound; demonstrates a love of math and an active determination to overcome obstacles. The school Principal, or Designate, and a member of the Math Department will comprise the selection committee.

A member of the Kopach family is to be invited to the graduation ceremony to present the annual award to the recipient.
