

March 13, 2020

Dear TCDSB Community

**Cancellations for the Period of March 14-April 5-2020.**

As you are aware, all publicly funded schools in Ontario including all schools in the Toronto Catholic District School Board, have been ordered closed by the provincial government from March 14 to April 5, 2020 amidst concerns about COVID-19. The expectation is that schools will reopen on Monday, April 6th.

Please be advised that all permits will be cancelled during that time. If you are involved in any activities organized by permit holders, please contact them directly with any questions you may have about programming.

All TCDSB before-and after-school programs and child care centres will also be closed during that time. Further, all March Break Camps will not operate during this time.

***Discussions continue around student resources to support their learning while at home, and details will be shared with families as soon as possible.***
