

May 27, 2021

Dear TCDSB Families,

As we continue to plan for the 2021-2022 school year, we look forward to welcoming staff and students to school in September. **We are writing to inform you that from July 16 to August 6 you will be able to select a learning model for your child(ren). We will send you a communication on July 16 that will include a unique link for each of your child(ren). You will have until midnight on August 6 to respond.**

We are scheduling this mid-summer roll-out because we anticipate that with Ontario's continued roll-out of vaccines throughout the summer and fall, families will feel more confident sending their child to school. It is our sincere hope that we will return to in-person learning in September, while recognizing that some students may still require the option for remote learning.

Families will be provided with more information mid-summer to assist with making the decision that is best for your child(ren). We are giving adequate notice of this coming registration, as we recognize the importance and difficulty in making a decision for your child's learning model. Please note the decision you make will be in effect for the entire 2021-2022 school year.

Together, we have learned so much from this past year and hope to provide families with a learning model option that will best support your child(ren). We appreciate your continued understanding, patience, and partnership.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Browne", is positioned above the typed name.

Dr. Brendan Browne
