Voices that Challenge 2008
Student Leadership Conference
“Today Towards Tomorrow: Responsible World Citizenship”

The Toronto Catholic District School Board and this year’s Student Trustee Diego Noronha invite student leaders from across the City of Toronto to attend this year’s leadership conference, Voices that Challenge 2008: Today Towards Tomorrow: Responsible World Citizenship. The conference celebrates and models proactive student leadership programs, informs and motivates students, and provides ideas and strategies that student leaders can take back to their local schools.

With keynote speaker Stephen Lewis, the theme for this year’s conference is aptly entitled Today Towards Tomorrow: Responsible World Citizenship.

“The Voices that Challenge conference embodies the very spirit and calibre of Catholic leadership that is demonstrated by our students on a daily basis,” says TCDSB Student Trustee Diego Noronha. “It is my hope that participants will be inspired to return to their schools and share their knowledge and experiences with their peers.”

Workshop topics include:
- Ensuring Student’s Voices Resonate at Board Level
- Becoming an Eco-School
- Race and Ethnic Relations
