

## **Buses are running, schools and offices are open**

Good morning everyone

We typically only communicate if there are going to be any changes to school or bus operations, however given the significant weather event yesterday we know many are waiting for confirmation.

For today, please note that all schools and offices are open, and all school buses are running. Due to varying road conditions and traffic, we expect significant delays on some bus routes. Check here for the latest information <https://busplannerweb.torontoschoolbus.org/Cancellations.aspx>

Because there may be a build up of snow and ice on sidewalks and on some roads that have not yet been plowed or salted, we encourage everyone to exercise caution and give themselves sufficient time to get to their destination safely.

We extend sincere appreciation to everyone who worked to ensure that our schools and buildings remained safe throughout yesterday's weather event. Though we hope Mother Nature will be kinder to us in the weeks ahead, we encourage all staff to follow @TCDSB on twitter or to subscribe to our ENews service for all the latest updates throughout the year. <https://web1.tcdsb.org/InterestSubscription/subscription.aspx>
