

February X, 2020

Dear Parents/Guardians,

Your child's report card for the current evaluation period is enclosed.

As you are aware, our teachers are currently in labour negotiations with the Ontario Government and are exercising a withdrawal of some services, which has had some impact on the information that is provided in the report cards.

According to the provisions outlined in the administrative job action sanctions, OECTA members will not participate in the preparation and inputting of report card comments.

- Marks only on the report cards;
- One sentence per frame for Kindergarten students;
- No progress report cards for secondary students;
- Religion/Family Life: A single line comment is to be included; and
- Learning Skills: Levels of Achievement must be entered (ie. E, G, S, N).

The information included in this report card is an accurate assessment of your child's progress at this time however we recognize that it may not be as detailed as you have been accustomed to receiving in the past.

Please be assured that this report card is valid and official for what can be expected at this time.

The Board continues to remain hopeful that a fair and reasonable agreement can be reached among the parties at the bargaining table. Should you have any questions regarding your child's progress please contact the classroom teacher.

Sincerely,

Principal
