## Welcome to Toronto's Catholic secondary schools

The Orientation Centre for new Canadian students and Canadian students from outside Ontario is located on the premises of Msgr. Fraser College in downtown Toronto. It was established in 1988 in order to interview, test, evaluate and place new students to Ontario in the various Secondary Schools within the TCDSB.

The Orientation Centre also provides credit classes for students in ESL and other subjects in October and March. At this time, the schools are often not able to accommodate new students due to the lack of classroom space and course availability or lateness of registration. At the end of each semester, all Orientation Centre students are then placed in their respective schools.
