

Toronto Catholic District School Board School Age Before and After School Programs (6 to 12 year olds) 2018-2019

Below is a listing of School Age Before and After School Programs available within the Toronto Catholic District School Board for the 2018-2019 school year.

Please note that families who already have a fee subsidy in a child care program will be able to transfer that subsidy to this Before & After School Age Program. Fee subsidies for new families may be available through the City of Toronto, Children's Services. Please visit: www.toronto.ca/children for more information or call 311 to apply for a fee subsidy.

Before and After program fees for 2018-2019 range from approximately \$22.50 to \$28.00 per day. All programs will be available on regular school days, before and after school and on non-instructional days such as P.A. Days, Christmas Break, March Break and the summer, for full days of care, unless otherwise informed by the child care agency directly. Fees will vary on PA Days and other holidays. It is recommended that parents/guardians contact the third party child care operators directly for more information on registration, hours and days of operation and program fees.
