- You should now have a list of all your school’s students. You can narrow the search by using several means as noted in the "Login Tip Sheet".

**ESL Forms Students:** students who already have forms input for them, indicated by **ESL** beside their names. Initially, you will have the number **0** listed until you fill in some forms.

**Trillium Students:** students who are already entered on the Trillium database, indicated by “WESL” withdrawal to ESL. This may be **0** if your school secretary did not yet enter any students on the Trillium Student Systems database.

**ESL Qualified:** The ESL Qualified checkbox indicates the **total number** of ESL/ELD students in your school eligible for funding within the allowable 4 year period, as outlined in the Ministry of Education Legislative Grants. Selecting this checkbox and clicking Search Students will return a list of all eligible ESL/ELD students in your school.

**Balance Literacy:** The Balanced Literacy checkbox indicates the total number of JK to grade 3 ESL/ELD students in your school. Selecting the **both** the Balanced Literacy checkbox and the ESL Qualified checkbox and clicking Search Students will return a list of all JK to grade 3 ESL/ELD students in your school eligible for funding within the allowable 4 year period, as outlined in the Ministry of Education Legislative Grants.
