Re: Pope Francis Catholic School – Child Care Retrofits
Status of the Capital Project for April/May 2018

The Board's Capital Development Department has begun to work on the development of a child care facility at Pope Francis Catholic School. The status of the project is as follows:

- On February 1, 2018, a Request for Proposal was issued to prequalified consultants;
- A report awarding the Consultant contract was approved on April 4, 2018;
- A project start-up meeting with the Architect took place on May 17, 2018 where a few options for the layout were discussed;
- A meeting at the school involving the Principal, Architect and Board Staff will follow within the next few weeks.

Please share this information with your school community. For updated information on the project, please also advise parents to check the Board website at:
