

Enrollment Update - October 2, 2020

Dear Parent/Guardian

We appreciate your patience as we continue to work through the process of scheduling and assigning teachers to classes so that your child can be engaged in their learning.

We acknowledge this was no small feat. We thank the many parents/guardians who have written to us, or called us, in recent days to express concerns about the delays, and again we apologize for the length of time it has taken to work through the process and get back to you.

The Board is continuing to work through the process of confirming staffing to ensure that every student is assigned to a class with a teacher.

As soon as we have a teacher assigned to your child, we will immediately connect with you. Regardless, we will be in touch with you again on Sunday with an update.

These are unprecedented times for all of us, and we are grateful for your continued support of Catholic education and your commitment to student success and well-being.

Again, we sincerely apologize for this delay and appreciate your patience and understanding. We look forward to your child becoming part of the St. Anne school community.
