Dear St. Anne Families:

We thank the many families who have contacted us over the last few weeks and appreciate your continued patience throughout the process. St Anne now has over 25,000 students currently enrolled and learning virtually. Over last few days, we have been finalizing plans to implement a new and better support structure for students and their families. We are writing to share with you recent administrative changes at the St. Anne Catholic Academic, School of Virtual Learning and a new process to communicate with the school

New Administrative Team

Your child's assigned teacher should be your first point of contact for all classroom matters. However, moving forward, if you have any unanswered questions by your child's teacher, please feel free to contact members of the St. Anne's administrative team below. Administrators are organized by grade specific teams to ensure continuity of service and to provide timely responses.

General Inquiries

For general inquiries please make submissions via the [new inquiry form](#) as we will be moving away from stannecatholicacademy.info@tcdsb.org. Our website has been updated with a new inquiry form for use on matters unrelated to your child's current classroom or teacher. Please note that each inquiry will be tracked and assigned to the appropriate team member to help ensure you receive a timely response.

These are unprecedented times for all of us, and we are grateful for your continued support of Catholic education and your commitment to student success and well-being.

Sincerely,

Joe Russo

Principal, St. Anne Catholic Academy
