

# HOMework HELP

This site run by the provincial government, provides tutoring in Math, and support for grade 7-10 students. It allows you to access live tutors (licensed Math teachers) from 5:30-9:30pm Sunday-Thursday...or to access archived lessons 24/7.

Interested students will need their Ontario Education Number to register. OEN numbers can be found at the top of their timetable or report card...or they can see their guidance counsellor for it:
