Department of Athletics

“Perform at your best when your best is required. Your best is required each day”

Brebeuf College School has a strong tradition of excellence in athletics. This tradition exists because of the collaborative efforts of our community of volunteer coaches, our Athletic Co-ordination Team, our Administrative Team, the Student Council, Alumni, as well as all other support staff.

The Brebeuf College School Department of Athletics supports a vibrant athletics program that assists with the development of a sound mind, body and spirit. A primary objective is to build life-skills through sport and character development. Focus, concentration, passion, desire, hard work, resiliency, and self-discipline are a few of the many life-skills that our volunteer coaches strive to teach through sport.
