

Willowdale Road Safety Town Hall

Road safety in Willowdale is a significant concern. Providing safe spaces for residents of all ages to walk and cycle in their local neighbourhoods is a critical part of reducing the number of trips taken in cars, and reducing the overall traffic impact on our local roads.

Join Willowdale Councillor John Filion with panellists include TDSB Trustee Alexander Brown, Friends & Family for Safe Streets and community safety advocates for an interactive discussion on:

- Vision Zero & School Safety Zones
- Photo Radar coming to Toronto
- Now Speed Limit Reductions
- Gaps in Sidewalk networks
- Enforcement Strategies
- Traffic Calming Countermeasures
