

The Kindergarten Team!

Mrs. Sue Tunzi and
Mrs. Maria Carvalho

Salutes! Happy Easter Parents!

We hope you had a wonderful March Break and that you had some time to enjoy your families. We hope you also celebrated a blessed Easter! The Kinders enjoyed an Easter egg hunt and also enjoyed learning about the Easter story.

It is with extreme sadness that we say good-bye to our wonderful lunchtime supervisor, Mrs. Nunag. She has served our class for three years and we will definitely miss her love and care for all students. We wish her well as she pursues other endeavors. We thank her for the care she always shows our students during lunchtime. We will miss her!

Congratulations goes to **Yelda Barash** and **Chloe Fernandes** for demonstrating the virtue of forgiveness throughout the month of March.

March's Newsletter Classroom News Curriculum:

In Religion, we discussed the virtue of Forgiveness. We focused on how Jesus forgave many people that did not believe in him, and how His forgiveness is our motivation to forgive others.

In Language, we learned the sounds **ie**, **ee**, **or**, and **z**. Our Kinders have been doing a great job with writing in their journals. Topics like **spring**, **March Break**, and **Easter** have been the focus of their writing this month.

In Math, we graphed the weather in March. We also completed our unit on measurement and started to add numbers.

In Science, Mrs. Carvalho planted a resurrection garden. Grass seeds were sown and watered. Students took care of this plant and watched our grass grow. In connection to our Math unit in measurement, our students also built bridges and towers in the classroom and compared their heights and lengths.

In Art, the Kinders enjoyed making Easter eggs using a variety of wallpaper. They also made a cross activity to mark Good Friday.
