Board Approves Multi-Year Recovery Plan

At the February 18, 2016 meeting of the Board, the Board of Trustees approved option 3 which proposes budget reductions totaling \$28.4 million spread out over the next three years with the objective of not increasing the accumulated deficit in each year, and eliminating the accumulated deficit in the 3rd and final year of the Multi-Year Recovery Plan. The Board also approved a recommendation for the Director of Education to quantify additional cost pressures identified in the report, and address the \$3.7 million additional bussing transportation costs for a total required expenditure reduction of \$32.1 million in the annual budget planning and consultation process. Option 3 was selected by 47% of those who responded to the online survey.

The MYRP is being submitted to the Ministry of Education at the end of February. A detailed budget consultation plan is in development and will be presented to the board for approval in March. Please stay tuned for details on how you can be involved in providing input into the budget setting process. www.tcdsb.org

On February 26, Jewish, Muslim and Christian grade school students participated in the action of the NBA All Star weekend in a cooperative event to promote interfaith friendship through basketball. The event, called "Building Bridges Through Basketball," was a skills clinic coached by NBA personnel and designed to further advance the interfaith program which has been running successfully between The Leo Baeck Day School, Islamic Foundation School and Holy Rosary Catholic School. A featured coach at the clinic was Chiney Ogwumike, the first pick of the 2014 WNBA draft, 2014 Rookie of the Year, and a 2014 All-Star.
