JUMP ROPE FOR HEART

Thank you for your generous support of our annual Jump Rope for Heart event! Students had so much fun during our event day and the campaign raised awareness around healthy and active living. We hope to reach our school goal of \$5500.

ONLINE SAFETY

Social media and internet safety is everyone's responsibility. If your child spends time on a computer, cell phone or tablet, using social media such as Instagram, Facebook and messenger apps, take the time to ensure that your child is being safe online. Review their messages, conversations and posts to ensure that they are not revealing personal information, being bullied, or sending inappropriate messages or images to others. Also, ensure that any video content your child is accessing on YouTube and other video websites is safe and age-appropriate.

ECOSCHOOL UPDATE

We have submitted our application for Ontario EcoSchool certification. Holy Rosary will have a site visit to determine our certification level in early May. Our most recent eco-events include participation in a board-wide EcoSchool Conference, School Clean Up day, and our Eco Kids will be leading the school in an environmental awareness activity at our upcoming monthly assembly.

LEGO CLUB

Thank you to all the parents and family members who volunteered to make this year's Lego club a success. This free weekly program was started by parents, is run by volunteers and uses all donated Lego. The last day of Lego club was a wonderful celebration of creativity, building and community! Looking forward to continuing this great initiative for years to come.

PARENT AND COMMUNITY CONSULTATIONS

Parent and community feedback is being sought on a number of important Board policies and issues, including annual initiatives such as development of the TCDSB budget for 2018-2019. Supporting student achievement is a key pillar of the Board's Multi-Year Strategic Plan (MYSP). **Your voice is important to us.** We encourage you to visit www.tcdsb.org regularly and check out the new one stop shop for all TCDSB-wide community consultations.
