

## **KINDERGARTEN REGISTRATION**

Dear Parents/Guardians;

Kindergarten Registration will begin for all Elementary Schools on Wednesday, January 13, 2016 at 10:00 am EST.

Parents/guardians with children born in 2012 or earlier and who will be enrolling in Kindergarten, have the opportunity to apply on-line using the “Student On-line Admission and Registration” platform known as S.O.A.R. and found at the following link: <http://soar.tcdsb.org>

Parents will be able to complete an application for registration from the convenience of their own home, the office, a public library, or anywhere there is internet access, 24 hours a day. The on-line application also offers access to translations in different languages with built-in help functions and features.

Alternately, families may choose to register in person at our school. We will begin to accept registrations at 10:00 a.m., on January 13, 2016.

As part of the registration process, school staff will meet with parents. These meetings may be scheduled on the electronic application or in person at the school. During the meeting, school staff will verify the original documentation required for registration. This consists of a Baptismal Certificate, Birth Certificate and/or Passport, Immunization record, proof of residence and Application for Direction of School support.

Applications to register children in grades other than Kindergarten can also be completed on the online S.O.A.R. application. Please share this information with any parents/guardians with school aged children in the community.

As in previous years, an extensive promotional campaign will be launched throughout the City of Toronto, with paid advertisements in the local media, posters in public centers, through the board website and on vinyl banners for display on school property.

For further information, please contact our school office at 416.393.5325. For general inquiries or further information you may contact 416-222-8282 extension 5314 or visit our website at [www.tcdsb.org](http://www.tcdsb.org)
