### Welcome to Week 25

#### Tip of the Week:

- There are still a few **outstanding Course selections/student activity fees** that we are expecting to come into the school. Please be sure to check with your child. If your child has NOT returned course selections and/or activity fee, please contact the Main Office at Mary Ward. Please note that students MAY make course changes on their 2020-21 course selection process THROUGH our Guidance Department up until Friday March 27<sup>th</sup>, 2020.
- March Break is almost upon us. As is our usual practice, **students will be able to pick up ONE additional unit beyond what they are currently working on during March 9 – 13.** Please start thinking about how this might work for your child. This is to permit those who WISH to do work on the March Break, to do so. We strongly recommend students have an opportunity to rest and relax before the last term of the school year!
