Welcome to **Week 4** (Cohort C & D are IN-PERSON); (Cohort A & B are virtual)

IMPORTANT: COVID-19 REPORTING

Parents & Guardians – As COVID-19 numbers are increasing in Toronto, we would ask the following of all families participating in in-person learning at Mary Ward:

- a) If a family member receives a positive COVID-19 test result, PLEASE inform the school immediately at 416-393-5544 ext. 0. One of the school secretaries will be able to assist.
- b) If a family member receives a positive COVID-19 result, the child (regardless of no symptoms or negative COVID-19 test result) MUST stay home and quarantine for 14 days. This also MUST be reported to the school so that we can arrange school instruction virtually for your child.
- c) IF your child is not feeling well, they must stay home, regardless of COVID-19 symptoms or other. For learning to take place, students and staff must be healthy, particularly during this pandemic. Please be sure to read the COVID-19 student self-assessment. There are very clear guidelines about when a child may attend school and when they may not.
- d) IF your child develops COVID-19 symptoms or tests positive for COVID-19, please inform the school immediately and we will be in contact to lend support and to provide assistance or accommodation with schooling.

We appreciate your continued assistance and support!
