

## Mary Ward CSS Weekly Update:

### For the week of Monday May 4<sup>th</sup> – Friday May 8<sup>th</sup>, 2020

Hello Parents & Guardians. Below, please find our Mary Ward Weekly Update. This will also be posted on our Mary Ward portal page (Under “For Parents” tab) which can be found at:

## Welcome to Week 33

### Tip of the Week:

- Students should be working on their weekly modules. As a reminder, the module or activity is generally launched on the Monday and then work is then due on the Friday of the same week.
- Students have an opportunity to improve their March 13<sup>th</sup> mark for the June final report card.

### Reminders of the Week:

- May 4 – 8 is Catholic Education Week. This year’s theme is *Igniting Hope*

Materials for Catholic Education Week – resources, prayers, reflections, songs, liturgies – can be found on the OCSTA website at [www.goodnewsforall.ca](http://www.goodnewsforall.ca) or here: [Igniting Hope](#). Included also are prayer services specifically for use by students and families in the home. You are encouraged to use the materials, which are divided into daily sub-themes as follows:

- **Monday:** Our Hope in Christ / Notre espérance, c’est le Christ
- **Tuesday:** The Hope Within Us / L’espérance en nous
- **Wednesday:** The Hope Among Us / L’espérance au milieu de nous
- **Thursday:** Hope for the World / L’espérance pour le monde
- **Friday:** A Future Full of Hope / Un avenir rempli d’espérance

### Expectations for All Families:

- Within each week’s learning activity/project or module, there should be elements of assessment, some form of evaluation and certainly two-way feedback between student and teacher.
- What the week’s distance learning **should not look like** is a ‘once and done’ approach – simply handing out the assignment and then collecting it at the end of the week.
- Students may have questions of their teachers and vice versa.
- Please be sure your child’s questions are being answered by their subject teachers.
- Feel free to contact any of us should you have questions; start with the subject teacher and then the TA. Feel free to contact Guidance or Admin.
