

ATHLETE OF THE WEEK – October 27 to October 31st, 2014

KATHLEEN STONEBURGH

Kathleen is one of our stars on the Midget Girls Cross Country team here at Michael Power/St. Joseph. At 14 years old, Kathleen is a rookie in her grade 9 year. She brings a hard work ethic day in and day out at practice and continues to make her teammates better.

Kathleen proves that she's not afraid to get dirty for the team. Last week at Boyd Conservation Area she demonstrated her mental toughness after taking a little spill in the mud during the race. She flew out of the woods with 200 m to go, knowing that she needed to help the team out with a strong finish.

With our TDCAA Championships on the horizon, the future is looking bright for this young star. Kathleen hopes to help lead her team to an OFSAA berth on November 1st in Waterloo. MPSJ is very proud to have such a dedicated student-athlete!
