## Niki Galioto

Being a model student-athlete and a key member of our Trojan Swimming Team makes Niki Galioto this week's Athlete of the Week!

Niki is a grade 11 student and has been representing our school in the pool since grade 9 with great determination. Her coaches describe her to be a focussed and dedicated athlete who works hard in practice and pushes her teammates to do so as well. She has been swimming since the age of 3 and in 2011 won the Provincial Central Region Gold Medal. Most recently, in last week's city wide swim meet, Niki successfully qualified for this year's OFSAA meet in a remarkable 4 events! The 50m, 100m, and 200m free, and also the 4x50m front crawl relay which she anchors.

In addition to swimming, Niki is an outstanding athlete for our Trojan soccer, track and field, and cross country teams. She was named the junior girls soccer MVP in her grade 9 year when the girls won the TDCAA Championship, and Niki has also seen success as a javelin competitor where she finished 24<sup>th</sup> in Ontario at last year's OFSAA competition.

MPSJ is lucky to have such an accomplished student athlete! Congratulations and best of luck in the remainder of your sport season!
