Re: Asbestos Remedial Work
School Number: 340
School Name: Mother Cabrini
Maple Project No.: 15573

Maple Environmental Inc. (Maple) was retained by the Toronto Catholic District School Board (TCDSB) to provide environmental consulting services at the subject site.

As part of the project Maple provided Site Review services of work being performed by Alliance Environmental Contractors, the contractor retained by TCDSB to provide environmental remediation work.

A review of the project and associated documentation found that the work completed by Alliance for the subject school was completed satisfactorily and in accordance with Regulation 278/05.

Please contact Maple Environmental Inc. at (905) 257-4408 for inquiries regarding this or any other aspect of the project.

Sincerely,

MAPLE ENVIRONMENTAL INC.
