

CSPC MINUTES – Wednesday June 14, 2017

ATTENDANTS: Nicole Arsenault, Cori and Chris Stadler, Vesna Klaric, Nick Giovanelli, Jaqueline Engel, Bela Araujo, Giovanni Amadei, Susanne Burr and Sherryann Ambrose.

APPROVAL OF THE MINUTES: It was approved by Nick Giovanelli and Bela Araujo

NEW BUSINESS: Jacqueline Engel presented the Co-Chairs with a letter of resignation as the CSPC Secretary due to a conflict of interest with another member.. This was accepted with a heavy heart as we are all volunteers and our goal is to work together for the better good of the children and not against one another. Hopefully moving forward we will have a better conflict resolution process in place to avoid hurt feelings.

PRINCIPALS REPORT: Ms. Ambrose began with thanking the CSPC on behalf of the staff for all the work they do and a card was given.

Ms. Adamo also sent a card on behalf of the Grade 2 students for a lovely first communion lunch.

Ms. Debraga also sent her thanks on behalf of the grade 7s for their confirmation lunch, as it was much appreciated and well received.

A big thanks was given to Ms. Stadler and all those who helped with making the fun fair a great success.

Ms. Ambrose also commented on the recent stabbing at Michael Power and a letter was sent home to the parents reassuring the community that the children's safety is our main priority at all times. Ms. Crooks a

Social Worker with the board came to talk to the students and reassure them of their safety.

As a further result of this incident it has reinforced the no going out for lunch policy unless with a parent who picks you up and signs you out. A letter will no longer be sufficient. As a Red Flag had gone up on a previous outing and the issue of lack of supervision and the things that the children are subjected to that is unavoidable such as obscene language, smoking and other misappropriate behaviour's. A letter will be sent home about this requesting that parents provide lunches at school and are not to go out.

Curriculum Night to be held on Thursday September 21, 2017.

TREASURER'S REPORT: Chris provided us with bank statement and a treasures report. At this time there was still some outstanding reimbursements to come from our Pro Grant speaker and our PIC funds.

CSPC COMMUNITY UPDATE:

It was decided that we would allocate some of the remaining funds from our fundraising efforts for some things we would like to see in the next school year.

It was decide that \$500 dollars would be given to Mr. Amadai for the music department as he feels he has been over looked in the past. I did explain that he was not overlooked as we are always allocating money to instrument repair. We can't support a department if no other needs are brought to our attention. As far as electronics like a screen and lap top CSCP has provided many devices over the past years and some of

that technology should be made available to him upon request. Ms. Ambrose said she would talk to the staff about this.

\$1650 was given to technology for some new chrome books

\$1500 for Arts presentations

\$400 for recess Activities

\$350 for fans

Totalling \$4400

PARISH REPORT: Corpus Christi to be held on Saturday June 17th at Nativity of our lord Parish

ADJOURNED: 8:50 P.M.
