

The Grade 3/4 Classroom Update

Dear Parents and Guardians,

"Let Justice flow like a stream, and righteousness like a river that never goes dry"

Amos 5:24

The virtue for April is JUSTICE. Our class will be learning how God is forgiving and just to all and how can we work towards being the same with our friends and family.

I would like to congratulate the junior boys and girls for their great effort and sportsmanship at the Junior Volleyball Tournament and to our swim team . Their represented our school with great success. Well done!
Spring has finally arrived; please visit the lost and found for winter gear that may have gone missing.

April is another busy month here at Mother Cabrini, please refer the monthly newsletter for upcoming events.

We would like to thank Apple for teaching our class how to use imovie as well as to CSPC for providing our class with a school bus. It was a great learning experience!

We are also welcoming a new student teacher Mr. Samandl. I am sure that he will have a lot to offer our class.

R. Pacheco,

Mrs. R. Pacheco
