

Kindergarten February Newz!

"Where there is love there is life." - Mahatma Gandhi

Dear Parent(s),

Where did the month of January go? Despite the fact that February is the shortest month of the year, this is not evident as I outline the events for the month. The students will be actively involved in a variety of activities. They will have the opportunity to explore the virtue of "Love", investigate the math concepts of ordinal numbers and two-dimensional shapes and learn about advertising by looking at cereal box labels. Please take a look at some of our January photos of the students in their element!

Important Dates To Note

Thursday, February 11th: Dress down day (red and white day)

Parent/Teacher Interviews

Friday, February 12th: P.A. Day
