

February Update

Dear Parents,

With the cold weather season, please continue to have your children dressed appropriately for outdoor play. Just a reminder, to label your children's winter clothing. Please provide your children with indoor shoes and boots that they are able to fasten and unfasten themselves.

The virtue of the month for February is Love. Our themes this month will be the following: Groundhog's Day, Valentine's Day, and Friendship.

In Language Arts, the S.K.'s have been writing sentences using thematic related words and other sight word vocabulary. In February, we will be working on the letters, Bb, ai, Jj, and oa. The students continue to write simple sentences using thematic related words and other sight word vocabulary. It is encouraged to read daily with your child.

In the Grade one Math program, we will be Exploring Greater Numbers. Creating 2-D Shapes

- Making Groups of 10
- Show This Many, Counting Dimes
- 100 Robos, Building a 100 Chart
- What Number Is It?
- How many Tens and Ones?
- How many Cubes are There?
- The Number Line
- Cubes in Space
- Dimes and Pennies
- Comparing Capacities

Just a reminder that Library is on Wednesday, and gym is on Mondays and Wednesdays. Please make sure your child has proper running shoes for gym.

Thank-you for your support,

Mrs. Prattinger (S.K./Grade 1)
