

## Grade 7/8 March Curriculum Newsletter

*Lent is a time to prepare for Easter*

As part of our spiritual preparations for the season, we look forward to fulfilling our Lenten promises and the opportunity to be more focussed on forgiveness. Having discussed the sacrament of reconciliation at length in class, all students are encouraged to take the opportunity to celebrate this wonderful sacrament as part of their Lenten duty.

Subject specific curriculum:

**Mathematics**-Gr. 8 Equations and Relationships    Angles and Triangles  
Gr. 7 Variables, Expressions, and Equations    3-D Geometry

**Language Arts**- Completion of the Literature Circles, reading from the Nelson anthology  
Creative Writing- An idiom story

**History**-Gr. 8 Development of Western Canada and the North  
Gr. 7 The War of 1812
