

# The Grade 4/5 Classroom Update

## Dear Parents/Guardians,

Welcome to November! October was a busy month with both Thanksgiving and Halloween festivities. November is now a time to think about peace .

Quote of the month:

"Peace I leave to  
you, my peace I give  
to you" (John 14:27)

The grade 3s and 4s will be reflecting this month on how they can be peacemakers both at school and at home. We will also be hosting the Remembrance Day Ceremony on November 11.

With the colder weather now upon us please remember to label all clothing and winter gear. Also, students are encouraged to bring indoor shoes.

Afternoon nutrition snacks are welcomed. Please help by packing a snack that is healthy, quick and pre cut (apple slices vs. whole apple).

With excitement, I'm glad to announce that our class will be visiting the Ripley Aquarium this month to further explore our Science unit. More information to come soon.

The grade 4s will be participating in Swim to Survive on November 12, 19, and 26. Thank you for all the parent volunteer drivers who have agreed to help us out.

**Thank you for all of your continued support.**  
Mrs. R. Pacheco

## Topics of Subject

Grade 3 Mathematics:

Numeration

Grade 4 Mathematics:

Numeration

Reading: Making Connections

Determining Important Ideas

Writing: Paragraph writing
