

Classroom Update

Welcome to Mrs. Goslin's Grade 5/6

October 2015

The school year is off to a great start! All of the students have easily adapted to the new academic year and are enjoying the experiences and challenges they meet. It's wonderful to watch old friendships rekindled and new friendships begin. Our class is getting the hang of the new routines and expectations of Grade 5/6. It has been fantastic to see that all students have been remembering to take their planners home and bring them back in the morning with completed homework! Thank you for your support with this at home.

The Virtue for the month of October is **GRATITUDE**. Whenever we gather as a faith community to worship, we offer thanks to our God. The blessings of food, friends, family and freedom are all gifts from our Creator God. As we prepare for the celebration of Thanksgiving, we are urged to take some time to remember our blessings
