

Dear Parent(s),

I would like to begin by expressing my gratitude for supporting and making our "Shoe Box Drive" a great success. The students beamed with pride as they handed in their donation of a wrapped shoe box! As I reflect back on classroom life, what immediately comes to mind is how busy the students have been! A few highlights include the start of our guided reading sessions, the introduction and development of estimation skills and learning how to read and create pictographs. Looking ahead, the students have begun preparing for our upcoming Christmas Concert. They are truly excited to share their performance with you! As always, please take a peek at the pictures showcasing our class in action!

December Dates To Note

Wednesday, December 16th: Christmas Concert at Michael Power/St. Joseph's

Friday, December 18th: Last day of school before Christmas break

Looking back...
