

The Grade 3/4 Classroom Update

Dear Parents/Guardians,

Welcome to December. This month's virtue is charity. During the season of Advent we realize the importance of this virtue as we continue to help those in our parish through the

Christmas Hamper.

"For it is in giving that we receive"

St. Francis of Assisi

As December is well underway we are preparing for the Christmas concert that will take place on December 16 at Michael Power. Our concert theme this year is "Family" and our class has been preparing a fun performance for you.

Costume requirements will be coming home soon.

Our class had a blast at the Ripley's Aquarium where they were able to learn about aquatic plant life and habitats.

Swim to Survive was again a success! The grade 4 students learned water safety skills and had fun learning them. Thank you again to all of our

parent driver volunteers who helped.

Just a gentle reminder to pack an extra pair of gloves/mittens and socks in your child's school bag. Also, tissue boxes are always welcomed, especially during cold/flu season.

R. Pacheco

Thank you for all of your continued support.

Topics of Subject

Mathematics (4):

Measurement

Mathematics (3): Measure-
ment

Reading: Asking Questions

Writing: Paragraph writing

Oral: Active listening and
accountable talk

Science (4): Habitats, Rocks
and

Minerals
