

The Grade 6/7

CLASSROOM UPDATE

Dear Parents/Guardians,

I hope you have all had a blessed Easter. We have much to celebrate this month. We continue to exult and rejoice during the Easter season. Theresa K. and Richard K. represented Mother Cabrini at the TEAMS Math Olympics. On April 21, "Jimmy's Family" produced by Richard K. and Melanie Z., will be featured at the TCFE at the Yonge and Dundas Theatre as one of the 10 top movies in the festival.

This month, we will continue to work on our speeches and begin our Literature Circles. The students will be introduced to the Seven Series. Students will have the opportunity to read the same book as three or four of their classmates, discuss it on scheduled meeting days and work on various assignments. It is imperative that students read the section assigned by the meeting day and that they do not read ahead as we will be making predictions.

Our class is also responsible for designing the virtue of the month bulletin board. Be sure to come by and look at our reflections on this month's virtue of Justice. We will continue to reflect on the Easter Season, Autism, and the grade 7 journey to their confirmation. It will be yet again another busy month filled with many learning opportunities.

Thank you for your continued support.

C. De Braga

APRIL 2016
