

JANUARY 2016

The Grade 6/7 CLASSROOM UPDATE

Dear Parents/Guardians,

Happy New Year! I wish you and your family a year full of blessings.

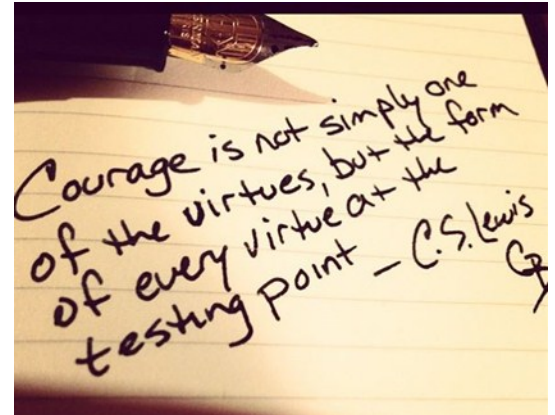

The grade 6/7 ended the year again with their visit to the Revera Centennial Park Place residents. The students had the opportunity to sing two songs and gift the residents with a small present. It was a truly unique experience and the students charitable spirit brought a smile to many of the residents. We hope to do it again next year!

This month brings a close to the first term. We will begin to read "Shattered", and begin working on narrative and persuasive writing using multi-paragraphs. January promises to be another month filled with new learning!

I look forward to a wonderful second term. Thank you for your continued support.

Sincerely,

C. De Braga
