MARCH 2015

The Grade 6/7
CLASSROOM UPDATE

Dear Parents/Guardians,

March will be a time for renewal with the beginning of Spring and continuation of Lent. Students will have the time to recharge over March Break and to continue their journey of preparation for Easter, the passion of Jesus Christ.

As a class, we are really happy with the final product the students created for the Toronto Catholic Film Festival. Three films were submitted to the contest and students' creativity and enthusiasm were evident throughout the whole process.

This month, students will continue to read at school independently three days a week. They are also encouraged to read at home, especially over the March Break. We will also complete our Poetry Unit and begin working on speeches.

I wish the students and their families a restful March Break. Thank you for your continued support.

Sincerely,

C. De Braga

Topics of Study
