

The Nativity of Our Lord Student Body Enhancement

Dear Nativity of our Lord Community,

We hope you and your families are keeping safe during the recent events that have impacted our school community. 2021 continues to be a challenging year and although we started off the year strong the recent COVID-19 news has been a difficult and stressful time for parents, students, and teachers. The Nativity of Our Lord Catholic School Parent Council (CSPC) continue to gather on a routine basis to discuss school activities and initiatives in order to improve the student's day to day experience during these difficult times.

As the new school year is underway, the Nativity of Our Lord CSPC is asking for your financial support to provide opportunities to our students and teachers. We are launching a Student Body Enhancement Campaign that will aim to address significant unmet needs that have been identified within our school. These include:

- New digital projectors and screens for our classrooms
- Upgrading the gym/physical education equipment
- Supplies for classrooms
- Support for virtual activities and engagements

We recognize that COVID-19 continues to impact our school community on a personal, professional, and financial level. We therefore want to stress that your contribution is completely voluntary and we are not asking for a target amount from each family – please only donate if you can. Our campaign will run from November 18th to December 3rd.

NEW! Donations can now be accepted through the School Cash Online system.

1. Use the link below to launch the Make A Donation website in KEV. Select the amount of the donation, or enter in a custom value (Tribute and message are optional) and hit "Add to Cart".
