workshop

## CALLING ALL OLP

### ARTISTS, CRAFTERS & MAKERS!

You're invited to participate in *Paper Scissors Rock*, an in-school arts enrichment program being offered to OLP students in grades 4 to 8. This very popular "lunch & learn" workshop teaches papercraft, jewelry-making and accessory design, in a fun and supportive environment that allows students to express their creativity, while learning new skills.

**WHAT:** 12-week arts enrichment programming that includes jewelry-making, découpage, kirigami, quilling\*, and accessory design. **Past make-and-take projects have included** bracelets and cuffs, earrings, 3-D paper robots, greeting cards, infinity scarves, themed seasonal projects, and much more!

**WHO:** Grade 4, 5, 6, 7, and 8 students

**WHEN & WHERE:** Thursdays, 11:45 - 12:45 in the school library. Programming will run from October 2016 to January 2017.

**REGISTRATION:** Registration is first come, first served. Forms must be submitted to the program facilitator in the school library, between 11:45 and 12:45 PM on Monday, October 24 or Tuesday, October 25. **Please submit form with payment (cheque made payable to PAPER SCISSORS ROCK) .**

### COST:

**Returning participants:** \$178

**New participants:** \$199 (includes quilling kit\*\*)

- **Cost includes instruction, resources, and all materials required for every project: necklace chains/cords, jewelry findings, ring/bracelet/earring bases, decorative boxes, fabric, specialty paper/cardstock, beads, craft tools, adhesives, and hardware.**

\*Quilling is an ancient paper-rolling technique.

\*\*The quilling kit includes a double-sided storage box, slotted tool, a needle tool, fine-tip tweezers, sizer ruler, 100 quilling paper strips, craft glue, blank cards/tags/envelopes, and instructions.
